2013 MEDICARE OPEN ENROLLMENT EVENT SCHEDULE

DEA has joined with its community partners to sponsor more than 40 events across the state during the annual Medicare Open Enrollment period to help beneficiaries review their Medicare health and Medicare prescription drug (Part D) plans. The annual Medicare Open Enrollment period begins on October 15 and ends December 7. Trained Senior Health Insurance Program (SHIP) counselors will be available at all Open Enrollment events to offer free, unbiased, confidential, and individual counseling to help beneficiaries identify options to give them the most cost-effective, convenient, and comprehensive coverage.

Appointments are required at every Open Enrollment event. To schedule a SHIP counseling session, call the local event site directly.

Beneficiaries must bring their Medicare card (red, white and blue card), insurance cards (both health insurance and Part D), and a list of their medications including the correct dosages and frequency, to their counseling appointment. Beneficiaries should also take a few moments to review their *Medicare and You 2014* handbook. If you are unable to attend an open enrollment event, you can still schedule a SHIP counseling session at your local SHIP agency throughout the open enrollment period.
