CRANSTON --- Medicare open enrollment events are scheduled across the state, between November 12 and December 7, to help beneficiaries review their Medicare health care and Medicare Prescription Drug (Medicare Part D) plans. Any changes made to these plans will become effective on January 1, 2013.

Trained State Health Insurance Program (SHIP) counselors will be available at all open enrollment events to offer free one-on-one counseling designed to help beneficiaries make informed health care choices.

Appointments are required at all open enrollment events. To schedule a SHIP counseling session, call the local event site directly. Beneficiaries should bring their Medicare card, insurance cards (both health insurance and Part D), and a list of their medications including the correct dosages and frequency, to the meeting.
